#### B) SUBVENCIONS I BEQUES

##### Conselleria d'Indústria, Turisme, Innovació i Comerç

*RESOLUCIÓ de 22 de desembre de 2025, de la Direcció General d'Emprenedoria i Internacionalització, per la qual s'aprova la tercera concessió de les ajudes dirigides a la reactivació econòmica en els municipis afectats per la dana per a l'exercici 2025 (EMDANA).*

Vista la Resolució de 24 de juliol de 2025, per la qual s'aproven les bases reguladores i es convoquen subvencions dirigides a la reactivació econòmica en els municipis afectats per la dana (DOGV 10161, 29.07.2025).

Vista la Resolució de 22 d'octubre de 2025, de la Direcció General d'Emprenedoria i Internacionalització, per la qual s'incrementa en una quantia addicional el crèdit inicial de la mencionada Resolució de 24 de juliol de 2025 (DOGV 10223, 27.10.2025).

El Decret 160/2025, de 28 d'octubre, del Consell, pel qual s'aproven les bases reguladores i el procediment de concessió directa d'ajudes urgents per a la reactivació econòmica en els municipis afectats pel temporal de vent i pluges iniciat el 29 d'octubre de 2024 a la Comunitat Valenciana, regula l'adjudicació d'ajudes directes per un import màxim de 20.000.000 € (DOGV 10228, 03.11.2025).

Atés que esta convocatòria queda sotmesa, a més, a la Llei 38/2003, de 17 de novembre, general de subvencions; al Reial decret 887/2006, de 21 de juliol, pel qual s'aprova el seu reglament sobre el procediment per a la concessió de subvencions, i a la Llei 1/2015, de 6 de febrer, d'hisenda pública, del sector públic instrumental i de subvencions.

Atés que les ajudes que es concedixen són compatibles amb el mercat interior d'acord amb l'article 107, apartat 1 del Tractat de la Unió Europea, i queden exemptes de l'obligació de notificació, per acollir-se al règim *de minimis* previst en el Reglament (UE) número 2023/2831, de la Comissió, de 13 de desembre de 2023, relatiu a l'aplicació dels articles 107 i 108 del Tractat de Funcionament de la Unió Europea a les ajudes *de minimis* (DO L de 15.12.2023).

Atés que l'apartat quart de la base dotzena de la Resolució de 24 de juliol de 2025, indicada més amunt, estableix la possibilitat de fer concessions parcials.

Atés que l'apartat tercer de la base dotzena de la Resolució de 24 de juliol de 2025 delega en la Direcció General d'Emprenedoria i Internacionalització la resolució d'estes ajudes.

Vista la proposta efectuada per la comissió de valoració de la tercera resolució de concessió i la llista de beneficiaris del Decret 160/2025, de 28 d'octubre, del Consell, pel qual s'aproven les bases reguladores i el procediment de concessió directa d'ajudes urgents per a la reactivació econòmica en els municipis afectats pel temporal de vent i pluges iniciat el 29 d'octubre de 2024 a la Comunitat Valenciana.

En aplicació del que disposen l'article 160.4 de la Llei 1/2015, de 6 de febrer, d'hisenda pública, del sector públic instrumental i de subvencions, i el Decret 226/2023, de 19 de desembre, del Consell, pel qual s'aprova el Reglament orgànic i funcional de la Conselleria d'Innovació, Indústria, Comerç i Turisme, i en aplicació de la delegació de competències per a resoldre continguda en l'apartat tercer de la base dotzena de la convocatòria de la Resolució de 24 de juliol de 2025,

#### RESOLC

##### *Primer. Llista d'admesos*

Aprovar la tercera concessió de les subvencions convocades per mitjà de la Resolució de 24 de juliol de 2025, per la qual s'aproven les bases reguladores i es convoquen subvencions dirigides a la reactivació econòmica en els municipis afectats per la dana (DOGV 10161, 29.07.2025), a càrrec de la línia de subvenció S1971, del capítol IV, del programa 322B00, del pressupost de la Generalitat per a 2025, que s'indica en l'annex I d'esta resolució, per un import total de 971.693,01 euros i per les quanties d'ajuda detallades.

##### *Segon. Llista de reserva*

Constituir una llista de reserva sobre la base del Decret 160/2025, de 28 d'octubre, del Consell, pel qual s'aproven les bases reguladores i el procediment de concessió directa d'ajudes urgents per a la reactivació econòmica en els municipis

afectats pel temporal de vent i pluges iniciat el 29 d'octubre de 2024 a la Comunitat Valenciana (DOGV 10228, 03.11.2025), amb els expedients detallats en l'annex II.

*Tercer. Llistat de sol·licituds inadmeses*

Inadmetre les ajudes relacionades en l'annex III d'esta resolució per no complir els requisits que estableix Resolució de 24 de juliol de 2025, per la qual s'aproven les bases reguladores i es convoquen subvencions dirigides a la reactivació econòmica en els municipis afectats per la dana.

*Quart. Llistat de sol·licituds denegades*

Declarar denegades les ajudes relacionades en l'annex IV per no ajustar-se els gastos subvencionables als establits en la Resolució de 24 de juliol de 2025.

*Quint. Llistat de sol·licituds desistides*

Desistir les ajudes relacionades en l'annex V per no haver esmenat en termini o correctament en els termes previstos en la Llei 39/2015, d'1 d'octubre, del procediment administratiu comú de les administracions públiques.

Es fa constar que les resolucions de desistiment han sigut dictades i notificades individualment als interessats, d'acord amb el que s'estableix en la normativa vigent.

*Sext. Llista d'esgotament pressupostari*

Denegar la resta de les ajudes per esgotament de crèdit pressupostari, als sol·licitants que es detallen en l'annex VI.

*Sèptim. Publicitat i transparència*

De conformitat amb el que preveu la base diuitena de l'annex I de la resolució esmentada més amunt, els beneficiaris de la subvenció hauran de complir les obligacions de transparència establides en la normativa vigent. En particular, les societats mercantils i cooperatives que, en el període d'un any, perceben ajudes públiques en quantia superior a 100.000 euros, o ajudes d'entitats públiques de la Comunitat Valenciana superiors a 50.000 euros, o subvencions que representen almenys el 40 % dels seus ingressos anuals amb un mínim de 5.000 euros, hauran de complir les obligacions de publicitat activa previstes en el capítol II del títol I de la Llei 19/2013, de 9 de desembre (articles 5, 6 i 8), publicant en la seua pàgina web o en la plataforma TEP – Transparència Entitats Privades (<https://gvaoberta.gva.es/es/tep>) la informació institucional, organitzativa i relativa a les subvencions concedides, i mantindre-la accessible durant almenys quatre anys naturals, d'acord amb l'article 6 i 8 de la llei esmentada. Així mateix, totes les persones emprenedores beneficiàries hauran de donar adequada publicitat al caràcter públic del finançament, en els termes de l'article 18 de la Llei 38/2003, general de subvencions, incorporant el logotip de la Conselleria d'Innovació, Indústria, Comerç i Turisme i les llegendes corresponents en la seua pàgina web, cartells, materials impresos, mitjans electrònics o audiovisuals.

*Octau. Motius de reintegrament*

L'incompliment per la beneficiària dels requisits i l'obtenció de la subvenció falsejant les condicions requerides per a això o ocultant aquelles que ho hagen impedit, donarà lloc al reintegrament de la subvenció més els interessos de demora corresponents, de conformitat amb el que estableix la base tercera de la Resolució de 24 de juliol de 2025 i l'article 37 de la Llei 38/2003, de 17 de novembre, general de subvencions.

*Nové. Notificació i publicació*

La resolució es notificarà a les persones interessades mitjançant la publicació en el *Diari Oficial de la Generalitat Valenciana*.

Així mateix, es publicarà en la pàgina web de la Conselleria d'Innovació, Indústria, Comerç i Turisme i en la Base de dades nacional de subvencions.

Contra esta resolució, que posa fi a la via administrativa, podrà interposar-se potestativament, de conformitat amb els articles 123 i 124 de la Llei 39/2015, d'1 d'octubre, del procediment administratiu comú, un recurs de reposició davant del mateix òrgan que l'ha dictada, en el termini d'un mes a comptar de l'endemà de la publicació en el *Diari Oficial de la Generalitat Valenciana*. Igualment, podrà interposar-se directament un recurs contenciós administratiu davant de la Sala Contenciosa Administrativa del Tribunal Superior de Justícia de la Comunitat Valenciana, en el termini de dos mesos, a comptar de l'endemà de la publicació en el *Diari Oficial de la Generalitat Valenciana*, de conformitat amb el que preveu l'article 46 de la Llei 29/1998, de 13 de juliol, reguladora de la jurisdicció contenciosa administrativa.

València, 22 de desembre de 2025
